

Dear patron:

Thank you for your interest in our organization! With the completion of our new permanent exhibit in the Brimstone Museum, we have expanded our programs to offer many history and art-related activities to the public. A lot may have changed since your last visit to the museum, so we wanted to update you on our organization!

Who we are:

Our mission statement is "Preserving and enriching the history and culture of Southwest Louisiana." In order to accomplish that mission, we operate a museum complex of five buildings in Sulphur, including the Henning Cultural Center, the Brimstone Museum, the Annex, the Sulphur Mines House, and our administrative wing / gift shop.

What we do:

The Henning Cultural Center hosts approximately 8 exhibits per year, including art displays & cultural exhibits, and the Brimstone Museum serves as an archive and permanent sulfur mining and City of Sulphur History Exhibit. All of the exhibits are free to the public, and welcome tour groups.

Other activities that we participate in to help fulfill our mission include arts camps, history lecture series, "Coffee and History" programs, and many other programs are currently being planned throughout our facility for this year!

The Brimstone Museum & Henning Cultural Center also plays a key role in the success of local festivals, city and parish events and historic preservation.

How can the public get involved?
